

Health Care
Tishomingo County, Mississippi, USA

Tishomingo County is served by North Mississippi Medical Center, the largest rural health care provider network in the USA. The Iuka branch hospital has 40 beds dedicated to acute care and an eight-bed intensive care unit. Services include general acute care, intensive care and coronary care, emergency services, pediatrics and geriatrics, full-service laboratory, clinical pharmacy, radiology, rehabilitation, and respiratory therapy. Emergency medical services are provided by helicopter and ambulance. The hospital provides outreach programs on health education, industrial medicine, and preventive services. Major medical centers are located 20 minutes driving time in Corinth, Mississippi; 45 minutes driving time in Florence, Alabama; 60 minutes driving time in Tupelo, Mississippi; and 90 minutes driving time in Memphis, Tennessee, and Huntsville, Alabama.

A comprehensive health and fitness facility, the Iuka Wellness Center is a community service of North Mississippi Medical Center.

The community is served by five medical clinics and 17 full-time and part-time physicians. Optometrists, dentists, and mental health providers also have medical offices in the community.

The community is served by four long-term care facilities.
